Christmas Cards - pack of 10

A best seller! 10 pack of cards and envelopes. Your child's design is dropped into our unique border with your child's first name and the year printed on the back.

Ceramic Mug

Another best seller - these quality ceramic mugs really enhance the children's Christmas themed artwork. Team up with our coasters or coaster card for a truly unique Christmas gift.

Water Bottle

Great value, great quality - these aluminium water bottles are a great school or sports club fundraiser. Personalised with the child's artwork on both sides. Aluminium, 600ml, supplied with both a stopper and a cap. Dishwasher safe

4 PACK (same design)

Coasters - pack of 4

A real bargain - our square coasters are now available as a 4 pack. The coasters have red felt backings and a high gloss, wipe clean surface.

Fridge Magnet

A popular low cost item that makes a great keepsake gift. Strong magnets hold the 9cm square woden artwork print to the fridge or office filing cabinet.

Hanging Decoration

A Christmas keepsake for years to come. A low cost item, sporting a red ribbon hanger, the 9cm square wooden artwork prints make a truly unique Christmas gift.

Handbag Mirror

A popular newcomer, this lovely mirror features the child's artwork on one side and a bevelled acrylic mirror on the other. An ideal gift, it comes with its own little satin bag to keep it pristine.

Memoboard

Something different, our memoboard comes with a dry-wipe pen, sticky notes pad, 2 strip magnets and 2 'powerstrip' wall hangers. It can be configured how you like. Use it as a dry-wipe board or attach the sticky notes. Perfect for the kitchen or office. Size: 19 xv22.5cm.

Plate - polymer

A perfect Christmas gift, these bright and shiny 19cm diameter plates are made from a tough polymer and are virtually unbreakable. Dishwasher proof but please don't microwave. Perfect for little ones' Christmas dinner or let the children design their own plate for Santa's treats!
